Safari Is Over

Over 4,200 miles of driving in 24 days took Allen through Zimbabwe, Zambia, Malawi, and Mozambique. Pasto joined the safari in Bulawayo, Pastor Martin in Mongu and Scott joined the trek in Lilongwe, Malawi. It was a tin with encouraging and training church leaders in five cities. The trip birthed scores of stories that need to be told with unending heat! A full report will be in the upcoming newsletter. Thank you for praying for us bec borders of the Kingdom were strengthened and expanded by our going and serving the churches.

Team Relocating

The team will be relocating 4 hours north of Johannesburg to a small city named Tzaneen (pronounced Za-kn lies in a valley near mountains covered with pine and eucalyptus trees and avocado and banana farms. The A will move in mid-June and the Harrises will move by September. This relocation will enhance the ministry and to be more effective on several fronts. More in the newsletter.
