MOZAMBIQUE TRIP, ZAMBIAN WITCHDOCTORS AND ZIMBABWE CRISIS

1. MOZAMBIQUE TRIP: God moved powerfully during the 9 day trip Allen made to Inhambane. During the team's prayer walk through Inhambane, God led Allen to pray for a retired government administrator who was sick. The team had a wonderful time getting to know the family and then told them that God had directed them to pray for the man's illness, i.e., a very swollen leg and foot. Two days later, Allen and Monwabisi returned to check on the man and found him walking without his cane and praising God for healing his leg and foot. He is looking forward to our next visit in April with Janelle and the Fuentes. God also led the team to a young couple who cooked Sunday lunch for Allen and Monwabisi. Plus, He also led them to two additional people who may open their homes to become a house church. Pray for all four of these families, that God can use them as the beginning of our house churches in Mozambique.

2. ZAMBIAN WITCHDOCTORS: Martin was called to pray for a sick woman who turned out to be a high ranking witchdoctor. After the prayer team's ministry, many demons were cast out and her charms were burned. Upon being freed and healed, she gave them a list of 24 other witchdoctors in the town of Mongu who needed to be free from the demons that controlled them. Pray that this effort will win many witchdoctors to Christ and change the spiritual atmosphere of Mongu.

3. ZIMBABWE CRISIS: One thinks that things cannot get worse and then they do. Inflation, by some accounts, is now running over 3000% and basic food stuffs are becoming more and more scarce and unaffordable. Opposition party leaders have been jailed and beaten severely, with most all having to be taken to the hospital for treatment. There now seems to be very little light at the end of the tunnel, except a complete collapse of the country will cause a change one way or the other. Pray for our churches and for all the entire Church in Zimbabwe that they will steadfastly look to Jesus and ask for His power to stand up under these difficult times.

4. GUSTAVO AND BIA FUENTES: The Fuentes have safely arrived in South Africa and after orientation will be taken over to Mozambique by Allen and Janelle. Pray that God will work wonders through these two talented and dedicated servants of the Lord. They will be staying in Mozambique until mid-October before returning to report on their ministry to their supporters.
